SCHEDULED

MEETING TOPIC (ID # 2052)

Policies of Aquatic Center

Below are the most recent policies recommended by the Aquatic Center Board:

The Aquatic Center will close if the temperature is 32 degrees or below.

The lightning policy includes closure when lightning is indicated on a weather app (within 10 miles) rather than by sighting of lightning.

The Aquatic Center will designate lap lanes full time.

Should there be additional policies, the Board is asked to discuss so staff can document.
